

فراخوان جایگزینی مولدهای دیزلی شرکتهای صنعتی و معدنی-کمیسیون انرژی

The image shows a formal notice document with a header containing logos of the Ministry of Energy, the National Energy Regulatory Board, and the National Grid Company of Iran. The main body of the text is in Persian and details the process for replacing diesel generators in industrial and mining sectors. It includes a table with columns for 'ردیف' (Serial Number), 'نام شرکت' (Company Name), 'تاریخ' (Date), and 'ملاحظات' (Remarks). The document is signed and dated at the bottom.
