The screenshot shows a virtual exhibition page for Algeria's waste management. At the top, there are logos for 'ISFAHAN' and 'ISIRI'. Below the logos, there is a title in Persian: 'نمایشگاه بین المللی مجازی پسماند کشور الجزایر'. The main content area contains a large, empty rectangular frame, likely intended for a video or image. At the bottom of the frame, there is a small logo for 'ISIRI' and some text in Persian. The overall layout is clean and professional.
