Dear Sir/Madam,

INVITATION TO EXHIBIT AT THE 7TH GHANA RENEWABLE ENERGY FAIR (CONFERENCE AND EXHIBITION)

Under the Renewable Energy Act, 2011 (Act 832), the Energy Commission is mandated to promote the utilisation and development of renewable energy in Ghana. The Commission has been dedicated to this goal since 2015 with the introduction of the Ghana Renewable Energy Fair. Six editions of the Fair have been organised since its inception, with the recent one being held virtually from 27th - 28th October, 2020.

The 7th edition of the Ghana Renewable Energy Fair (Conference and Exhibition) will be held from 12th - 14th October, 2021 at the **Accra International Conference Centre (AICC)**. The Conference will run concurrently with the exhibition over the 3 days.

We would be grateful if you could disseminate this information to all Ghanaian Embassies to inform businesses and companies that operate in the renewable energy and energy efficiency industries in their respective countries to enable them participate in the upcoming conference and exhibition to promote their businesses.

We are offering companies that wish to exhibit an introductory price of **\$2,000.00** for a 9m² booth space instead of **\$2,500.00**. This offer is valid until 30th June, 2021.

Kindly find attached details of the various options available to companies interested in participating and exhibiting at the Fair.

We would be grateful if you could provide us with a contact person who would be a liaison between your Ministry and the Commission.

The Commission's liaison officer is the RE Fair Coordinator whose details are provided below:

Name: Julius Nkansah-Nyarko
