Embassy of the Islamic Republic of Iran
Addis Ababa, Ethiopia

Your Excellency,

The Ethiopian Chamber of Commerce and Sectoral Associations (ECCSA) presents its compliments to the Embassy of the Islamic Republic of Iran in Addis Ababa and has the honor to extend an invitation regarding a premier business event in East Africa.

We are pleased to announce that the 16th Ethio Chamber International Trade Fair will take place in Addis Ababa Exhibition Center, Meskel Square from February 03-07, 2027. Organized under the theme of fostering global trade partnerships and economic cooperation, this landmark event serves as the ultimate platform for international businesses to explore the vast and growing market opportunities in Ethiopia and the wider region.

Given the strong bilateral relations and economic ties between our nations, we highly value the presence of your country's business community. Therefore, we respectfully request the esteemed Embassy to:

- Coordinate a Country Pavilion: Mobilize and coordinate prominent companies, manufacturers, and exporters from your country to participate collectively under a unified National Pavilion.
- Promote the Event: Share information about this international trade fair with relevant chambers of commerce, trade promotion agencies, and business networks back home to encourage individual corporate participation.

The 16th Ethio Chamber International Trade Fair will cover various sectors, including manufacturing, technology, agriculture, construction, pharmaceuticals, and consumer goods. It offers unparalleled networking opportunities, B2B matchmaking sessions, and a chance to forge long-term strategic alliances.

We have attached the official event brochure, registration details, and booth layout options for your kind review. Our team stands ready to provide dedicated administrative and logistical support to your Embassy and the incoming delegation to ensure a seamless and successful participation.

While thanking the Embassy for its continuous support in promoting trade and investment, we look forward to a favorable response and to welcoming your country's delegation to Addis Ababa.

Please accept, Your Excellency, the assurances of our highest consideration.

Sincerely,

Dr. Kenenisa Lemi Debela
Secretary General
