Your Excellency,

RE: INVITATION TO PARTICIPATE IN THE AFRICA COMMERCE AND INDUSTRY SUMMIT 2026 (ACIS 2026)

The Kenya National Chamber of Commerce and Industry (KNCCI) presents its compliments to the **Embassy of the Islamic Republic of Iran** and has the honour to invite your esteemed Mission to participate in the **Africa Commerce and Industry Summit 2026 (ACIS 2026)** scheduled to take place from **14th to 16th October 2026** at **Uhuru Gardens National Monument and Museum, Nairobi, Kenya**.

Held under the theme **“Driving Africa's Next Era of Trade”** and **positioned as a platform where Global Enterprise Meets African Opportunity**, the Summit seeks to establish a premier continental platform for commerce, investment, economic diplomacy and strategic partnerships. It will convene business leaders, investors, policymakers, development partners, chambers of commerce and entrepreneurs from across Africa and the global business community.

The Summit coincides with the celebration of the 60th Anniversary of the Kenya National Chamber of Commerce and Industry and is expected to attract over 5,000 delegates from more than 50 countries, including heads of institutions, policymakers, investors, business executives and entrepreneurs.

In this regard, we respectfully invite the Embassy of the Islamic Republic of Iran to partner with us in the following ways:

- Participate in the Africa Commerce and Industry Summit 2026 through official representation and delegation attendance.
- Mobilize companies, investors, and business associations from **Iran** to participate, exhibit and explore trade and investment opportunities.
- Consider hosting a dedicated **Iran Country Pavilion** to showcase your country's investment opportunities, products, services, innovations and business ecosystem.
- Facilitate the participation of relevant government agencies, trade promotion organizations and private sector stakeholders from your country.

We believe that ACIS 2026 presents a unique opportunity to strengthen bilateral and multilateral commercial relationships, facilitate investment partnerships and deepen economic cooperation between Africa and the global business community.
