Offering insightful trends
Expanding the **Halal** industry

OVERVIEW

MIHAS is a must attend annual trade show for businesses catering to Islamic and Halal consumer market.

**From F&B, Cosmetics, Halal
Ingredients, Tourism, Finance,
Logistics to Digital.**

MIHAS covers the entire spectrum of the Islamic lifestyle demands. With over 20,000 visitors to MIHAS each year from nearly 80 countries, MIHAS delivers an unbeatable world stage for Halal products and services.

Malaysia is the natural gateway to the Halal markets of Asia Pacific. Its geographical location and more importantly, its position as the foremost Halal economy provides an ideal backdrop for MIHAS.

Since its inception in 2004, MIHAS has become an event for local and international businesses to thrive in the Halal trade and to contribute significantly to the global Halal economy.

“ MIHAS this year was indeed bigger and better thanks to our hybrid approach. Moving forward, the business community, especially micro, small and medium enterprises (MSME) needs to think regional or international even if they are newly established. Businesses must realise the vast opportunities available in international markets and make a move to capitalise on them. MATRADE is ready to help.”
